What can Holy Family School offer your child?

Holy Family Junior and Senior Schools share their large campus in the heart of Ennis town with a Preschool, Montessori School and an Afterschool Facility. Pupils progress to the Senior School after finishing first class in Holy Family Junior School. We recognise that children need to feel happy, confident and secure at school in order to learn successfully and our staff is dedicated to helping each child to achieve their full potential; academically, socially, and creatively. Children should be inspired and actively involved in their learning and our school motto 'Dream, Believe, Flourish, Achieve' expresses our commitment to delivering high quality education.
