Subject: Nominate Our School for the AIB Community Fund!

Dear Parents and Guardians,

I hope this letter finds you well. As we continue to create a nurturing learning environment for our young students, I am happy to share an opportunity that can make a significant difference for our school.

The AIB Community Fund is an annual initiative that supports charitable organisations across Ireland, including schools. By nominating our school, you can help secure additional resources, improving the educational experience for our children.

Anyone can put forward one nomination. The more nominations we have for Holy Family Junior School, the better our chances of securing some funding. We kindly ask that you consider nominating **Holy Family Junior School** and encouraging your friends and family to do the same.

How Can You Nominate Our School?

1. Visit the AIB Community Fund Website: Go to <https://aib.ie/personal-forms/community-fund> and find the nomination form.

2. Fill in the relevant details:

- Personal details: Your first name, surname and email address
- Charity name: Holy Family Junior School
- Charity Registration number: **CR301302**
- Charity location: Munster
- Social Theme: Education and Opportunities

And one sentence brief on why you believe we deserve support.

For that final question, you may wish to input your own reason, or choose an example from the following:

- *This award would allow HFJS invest in STEAM equipment to inspire students' creativity and exploration*
- *This fund could help Holy Family Junior School source some much needed modern ICT infrastructure upgrades*
- *Holy Family Junior School is fundraising for materials to support our 'Ready, Set, Go Maths' hands-on approach to learning*

3. Spread the Word: Encourage other parents, grandparents, and friends to nominate us too! Every nomination counts.

By nominating Holy Family Junior School, you are part of a community that cares deeply about our children's education. Thank you for your support.

Warm regards,

Miriam Lowe,

Principal, Holy Family Junior School
